<p><i>*Please note : rates offered / mentioned in this quote (Airfreight / Airline Charge, Point A ) are subject to change as the Airlines do not have regular services due to the Covid situation,</i></p> <p><i>Please note: uplift of pets is purely subject to approval from the Airline and availability of space and may change on day of travel.</i></p> <p><i>IMP NOTE: The final confirmation for the right size of the crate as per the pet is entirely subject to Airline acceptance at the time of the check in at the Cargo terminal and incase the crate size is not found to be the right size, then the Airline may need a larger crate size, as per their requirement and that may also further increase the Airline costs.</i></p> <p><i>So in our opinion in case the crate size is smaller, we suggest to change the crate size earlier before receiving the costs, to avoid all the last minute hassles at the Airport for you and for us.</i></p>
